CITY IS WILDER THAN YOU THINK.
KINDER THAN YOU THINK. IT
Y AND YOU ARE A HORSE
IS A HOUSE AND YOU ARE
ILD IN IT. SAFE AND WARM HER
IN THE FIRE OF EACH OTHER

Each x Other's Fall/Winter 14-15 collection is a common and identical wardrobe for him and for her, that plays with the myth of androgyny. Its natural fabrics, timeless color code and essential fits give the product a rough luxury look — luxury in the quality of fabrication, and rough in the style. To this is added an artistic input — the finishes, graphic prints, painting, poems and imagery used all having been born of the creative community that continues to grow around Each x Other. Following the principle of a publishing house, Each x Other produces limited edition artworks, films, exhibitions, books and design objects, always in dialogue with its collections and signed by the artists, at the point where Art meets Fashion.
