Autumn/Winter 2017-18

Die festliche Saison bedeutet bei mint&berry nicht nur Glitzer, Lametta und Cocktailkleider, sondern diesen Herbst/Winter 2017-18 auch 70er Jahre Disco Fever. Inspiriert von den glamourösen Outfits der legendären Studio 54-Ära funkeln goldschimmernde One-Shoulder-Jumpsuits und gestreifte Pailletten-Sets um die Wette. Verspielte Details wie Vogelstickereien und Strassbroschen in Marienkäferform lassen die mint&berry Partykollektion in mondän-glamourösem Stil erstrahlen. Im glanzvollen Ambiente einer Cocktailbar, umgeben von Samtvorhängen und wilden Papageien, feiert mint&berry neuinterpretierte Retro-Silhouetten mit ausgestellten Hosenbeinen, Trompetenärmeln und Schluppenblusen. In Kombination mit Samt-, Lurex- und Satin Styles werden sie zu atemberaubend wilden Tanzoutfits. Your disco needs you...

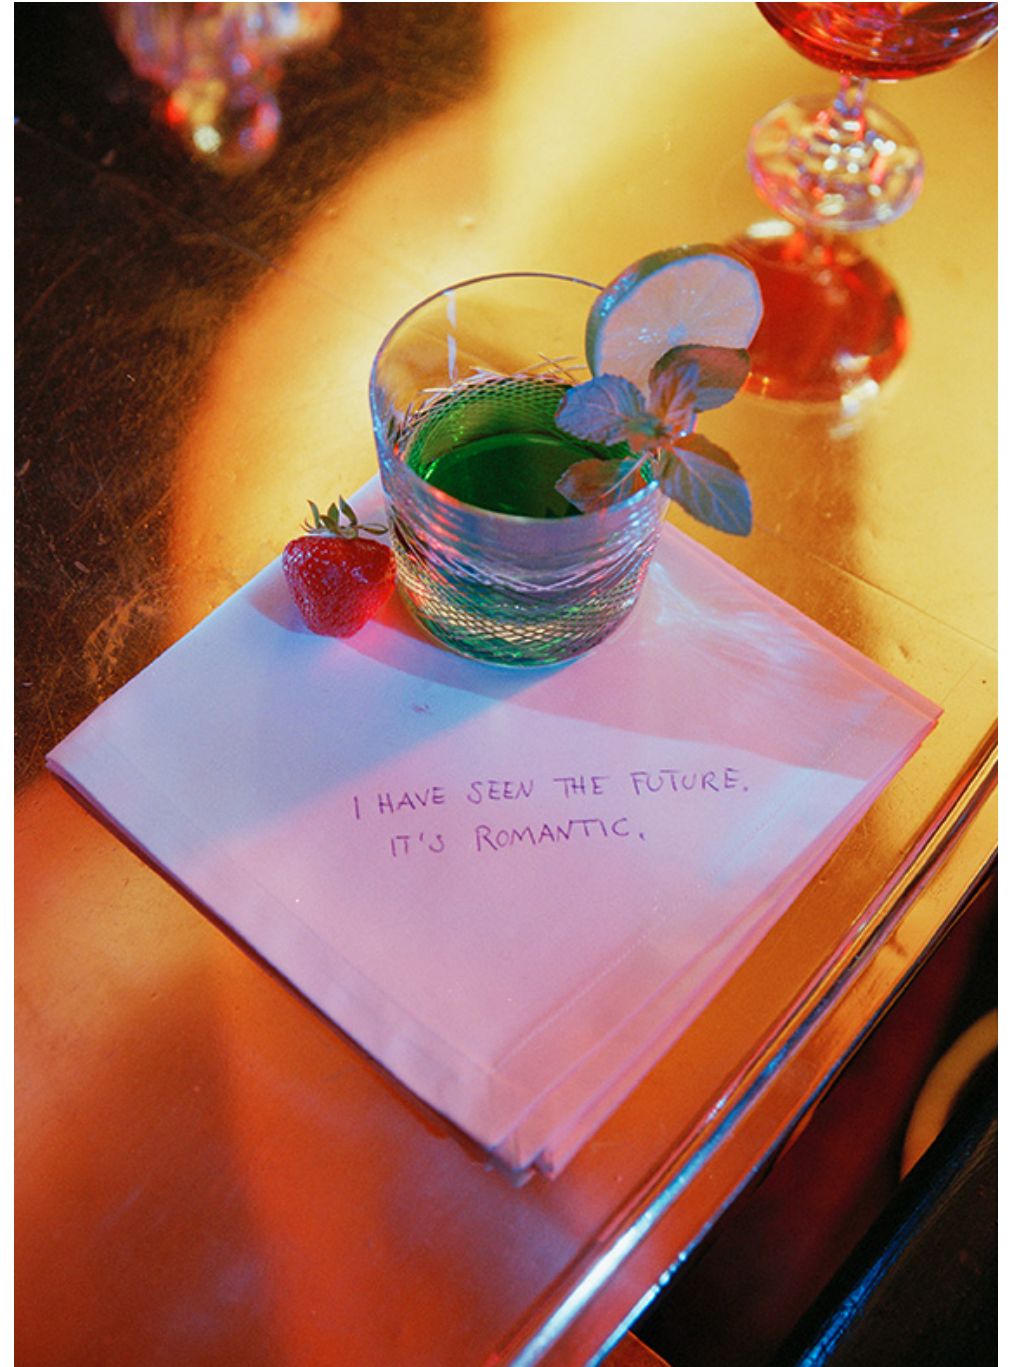

At mint&berry, this Autumn/Winter 2017-18 festive season isn't just about glitter, tinsel and cocktail dresses but also takes cues from the disco fever of the 70s. Inspired by the glamorous outfits worn at legendary club Studio 54, gold shimmering and metallic one-shoulder jumpsuits and striped sequin coords set the scene. Playful details such as aviary embroidery and rhinestone ladybird brooches adorn the mint&berry party collection. Wide-leg trousers, bell sleeves and silk blouses are reinterpreted and these retro silhouettes are brought to life in the dazzling setting of a lavish cocktail bar with a parrot for company. Here, velvet, lurex and satin come together for dancefloor-ready outfits. Your disco needs you...
